

North Carolinians Win Big In Infrastructure Spending Bill

The Need for Action is Clear:

For decades, infrastructure in North Carolina has suffered from a systemic lack of investment. The historic Bipartisan Infrastructure Law will make life better for millions of North Carolina residents.

North Carolina Infrastructure Snapshot:

1,460 bridges in poor condition

3,116+ miles of highway in poor condition

10.7% increase in commute times since 2011

\$500 spent per year by each driver in costs due to driving on roads in need of repair

How North Carolina Benefits from the Infrastructure Bill:

\$7.7 Billion

Federal highway formula funding for highways and bridges

► **28.7% MORE**

than the State's Federal-aid highway formula funding under current law.

(On an average annual basis over 5 years)

\$73.9 Million

Funding to augment commercial motor vehicle (CMV) safety efforts to reduce CMV crashes through the Federal Motor Carrier Safety Administration's Motor Carrier Safety Assistance Program (MCSAP) formula grant

► **67% INCREASE**

in funding compared to FAST Act levels

National Infrastructure Grant Programs:

In addition to the \$7.7 billion in guaranteed formula funding, North Carolina is also eligible to apply for these competitive grants:

Nationwide Total

Nationally significant freight and highway projects (AKA INFRA)

\$8 billion

Bridge investment program

\$12.5 billion

Rural surface transportation grant program

\$2 billion

Grants for charging and fueling infrastructure

\$2.5 billion

Reduction of truck emissions at port facilities

\$400 million

National Infrastructure Project Assistance

\$10 billion

Congestion relief program

\$250 million

Local and Regional Project Assistance (AKA RAISE/BUILD program)

\$7.5 billion
