

# Wyomingites Win Big In Infrastructure Spending Bill

Infrastructure

Wyoming

## The Need for Action is Clear:

For decades, infrastructure in Wyoming has suffered from a systemic lack of investment. The historic Bipartisan Infrastructure Law will make life better for hundreds of thousands of Wyoming residents.

## Wyoming Infrastructure Snapshot:

**218** bridges in poor condition

**380+** miles of highway in poor condition

**3.5%** increase in commute times since 2011

**\$295** spent per year by each driver in costs due to driving on roads in need of repair

## How Wyoming Benefits from the Infrastructure Bill:

**\$2 Billion**

Federal highway formula funding for highways and bridges

► **25.8% MORE**

than the State's Federal-aid highway formula funding under current law.

(On an average annual basis over 5 years)

**\$14.2 Million**

Funding to augment commercial motor vehicle (CMV) safety efforts to reduce CMV crashes through the Federal Motor Carrier Safety Administration's Motor Carrier Safety Assistance Program (MCSAP) formula grant

► **94% INCREASE**

in funding compared to FAST Act levels

## National Infrastructure Grant Programs:

In addition to the \$2 billion in guaranteed formula funding, Wyoming is also eligible to apply for these competitive grants:

Nationwide Total

Nationally significant freight and highway projects (AKA INFRA)

**\$8 billion**

Bridge investment program

**\$12.5 billion**

Rural surface transportation grant program

**\$2 billion**

Grants for charging and fueling infrastructure

**\$2.5 billion**

Reduction of truck emissions at port facilities

**\$400 million**

National Infrastructure Project Assistance

**\$10 billion**

Congestion relief program

**\$250 million**

Local and Regional Project Assistance (AKA RAISE/BUILD program)

**\$7.5 billion**
